

#crewretention

Industry leading  
**180 day** crew  
replacement  
period

As an agency, we hold a crew retention rate (CRR) of **92%** for our permanent crew members<sup>4</sup>.

The confidence in our crew means that we have extended our crew replacement period to 180 days, compared to the industry average of between only 30-60 days.

#globalreach

The **worlds most followed** Superyacht R&P agency

To secure the industries top talent, you need a truly global reach and in todays world, social media plays a vital role in global reach and talent access.

We have over **100,000** followers across LinkedIn, Facebook and Instagram, as well as the industries most extensive internal database of qualified yachting talent.

#industryknowledge

Dedicated **Motor & Sail** yacht divisions

We understand that tailored approach is required when recruiting between motor and sail-yachts.

This is why we have developed a **dedicated recruitment division** for both covering all positions and yacht sizes, globally.

#drivingstandards

**Professional**  
Recruitment  
Consultants

We're the only recruitment agency to be corporate members of a professional recruitment body which means each member of our team are **professionally trained and qualified** in the field of recruitment practice.

↘ Discover why superyacht employers are choosing to partner with us.
